

# BHCA ramp use report

---

The AKC has granted the BHCA a newly worded position statement/directive that will read as "Basset Hounds are expected to be judged on a ramp" in the breed ring. An insert will go into the judges' guidelines booklet, pending the next reprint. There will be an article in the AKC judges' newsletter, now being prepared, and it will be on the AKC web site. AKC Reps will begin verbally making judges aware of this new AKC position right away.

The BHCA Board of Directors would like for you, as a BHCA member, to help us monitor the all-breed rings all over the country. This will allow us to report back to the AKC as to the success or not of their new directive from an exhibitor's point of view. Please download or make copies of this report form and send the completed forms to:

Barbara Wicklund, AKC Delegate  
737 US Hwy 206
