

Health Links

The following Basset Hound Health links are provided for information purposes only and are not meant to replace advice and care from your Veterinarian. The Basset Hound Club of America, Inc. cannot give advice or answer questions about specific health issues or concerns. If you think your Basset Hound may have a health condition or might be sick, please contact your Veterinarian as soon as possible.

The Health and Research committee would like to caution BHCA members and the general public about seeking advice from non-professional sources.
