

MEMBERSHIP ROSTER GUIDELINES

GENERAL:

BHCA will publish a membership roster yearly. Only those clubs, individuals, families, juniors, and life members who are in good standing (those who are not indebted to the club and current in their membership dues) will be listed. The listing will include name, address, e-mail address, telephone and fax numbers, year the person (s) joined BHCA, and the type of membership they hold.

In addition, each year's dues statement will request, from regular voting members only, voluntary breeder referral listings which will be included in the directory and if requested by the member, also on the web page. Further, a listing of names followed by breeder referral coding sorted by state will be included in the roster. The BHCA Public Education Chair and Corresponding Secretary will use this referral information for inquiries from AKC and other sources.

The roster will include only those persons paying their dues by the November 30 due date. Persons paying after this date will be listed with name, address, and telephone only in a subsequent issue of Tally-Ho. Changes of address, etc. will appear in Tally-Ho and members will update their rosters as desired.

The Membership Roster will be distributed with the March/April issue of the Tally-Ho and be printed and in the hands of the editor or sent to the designated Tally-Ho printing house for distribution with that issue no later than February 1st of the current year, if most cost effective, or if mailed separately, no later than February 15. The Corresponding Secretary will coordinate having the list published.
