DUAL SIRE LITTERS

1. If you are nominating a bitch that has been bred to two different sires the nomination process is as follows:
 - a. The Bitch should be nominated before the litter is whelped. A fee of \$15.00 and a four-generation pedigree of each potential sired litter must accompany the nomination. A futurity number will then be assigned to both potential sired litters.
 - b. The litter must be nominated not more than one month after being whelped. A fee of \$30.00 must accompany the litter nomination for the dual sire litter. If the litter is not found to be the results of a dual sire litter, \$15.00 of the litter nomination will be refunded.
 - c. First individual enrollment, before the puppies are 3 months old, second individual enrollment before the puppies are 6 months old and the third and final enrollment before July 1 should be made on separate forms for each sire of the litter using the assigned futurity number for each sire to identify the individual puppy enrollment nomination. A fee of \$5.00 per puppy should accompany the individual puppy enrollment for each sire.
 - d. In the event that the appropriate AKC DNA testing has not identified the sire of the litter by the time the individual puppy nominations are due, the nominating breeder should use one individual puppy nomination form identifying the litter by using both assigned futurity nomination numbers and continue to do so until such time as the sires have been identified.

- e. The nominating breeder will be responsible for notifying the Futurity Secretary upon receipt of proof of sire giving the registration number/name, futurity number and the name of the sire for each puppy in the litter.
- f. This should be done on all of the individual puppy enrollment forms (3 months, 6 months and final). In the event the litter is sired by only one of the two potential sires the nominating breeder shall contact the Futurity Secretary in writing, requesting the assigned Futurity number be deleted of the non-sire litter.

CLASSES

1. The Futurity Stakes will be judged in four age group classes for each sex. The winners of the eight classes will compete for Best in Futurity Stakes and Best of Opposite in Futurity.
2. The age group classes are as follows:
 - a. CLASS I – For puppies whelped in January, February and March of the year of the futurity event.
 - b. CLASS II – For puppies whelped in October, November and December of the year preceding the futurity event.
 - c. CLASS III – For puppies whelped in July, August and September of the year preceding the futurity event.
 - d. CLASS IV – For puppies whelped in April, May and June of the year preceding the futurity event.

PRIZE MONEY

1. All monies collected from nominations, enrollments, penalties and entry fees will be pooled. BHCA will retain 30% to cover expenses. The remainder is to be divided as follows: Winners pool 40%, Classes pool 60%.
2. The monies in the Winners pool will be allocated to the Best in Futurity Stakes and the Best of Opposite in Futurity Stakes by dividing the total in the Winners pool by 66.6% to the Best in Futurity and 33.4% to the Best of Opposite Sex in Futurity

3. The class pool will be determined by dividing the total money in the classes by the number of entries and then multiplying by the number of entries in the particular class. This money will be distributed as follows:
 - a. If there are four (4) or more entries, FIRST will be 40% of the class money, SECOND 30%, THIRD 20% and FOURTH 10%.
 - b. If there are three (3) entries, FIRST will receive 50% of the class's money, SECOND 30% and THIRD 20%.
 - c. If there are two (2) entries, FIRST will receive 60% of the class money and SECOND will receive 40%.
 - d. If there is one (1) entry, that entry will receive 100% of the class money.
4. For all winners' prizes, the breeder or breeders of record will receive 100% of the total prize money. All Futurity prize money will be given to the nominating breeder of the Best in Futurity and Best of Opposite in Futurity. It is the responsibility of the nominating breeder to ensure that all prize monies from the event are given to them by the owner/handler of the dog in the event unless other arrangements are made between the breeder and owner or handler.
5. It is requested that all prize money checks are cashed within 30 days. In the event that a check is lost it will not reissued.

JUDGES

1. All BHCA members in good standing are eligible to judge the Futurity/Maturity Stakes. Currently AKC regulations prevent BHCA members who Judge the Futurity/Maturity from competing at the National specialty show if they judge the event. BHCA member judges who currently exhibit and participants nominating prospective judges should be mindful of such constraints.
2. Nominations of BHCA members will be solicited from the Futurity/Maturity participants by May 1 of each year.

- a. Each nominating breeder of a Futurity or Maturity dog shall have one vote for the Futurity/Maturity judge regardless of the number of litters nominated by the nominating breeder during the Futurity year or nominated for the Maturity.
3. Individuals are ineligible to be nominated to judge a particular stake if they:
 - a. Are the Futurity Secretary or Assistant Futurity Secretary or members of their immediate family of that particular stake.
 - b. Are judging any BHCA event held in conjunction with the current National Specialty.
 4. The Futurity judge will receive \$400.00 as an honorarium towards expense, as well as a medallion or tie tack.

NOMINATION AND VOTING

1. A teller will be selected by the Futurity/Maturity Committee prior to the nominations and selection process for the Futurity/Maturity judge, will be sent to only eligible Nominating Breeders in both events. The teller must be a member in good standing and not a member of the immediate family or household of the Futurity/Maturity Secretary or committee.

On May 1, the Futurity /Maturity Secretary shall email to all eligible Futurity/Maturity participants a nomination ballot that allows up to three (3) nominations for potential judges for the Futurity/Maturity, with instructions, closing date for nominations, and whom to email the nomination ballot. The Futurity/Maturity Secretary will keep and provide a list of individuals who have previously agreed to judge the event based on their prior participation in the event. This does not preclude a nominating breeder from nominating any BHCA member in good standing from nominating other individuals who may be interested in judging. The Futurity/Maturity secretary will send an email to all individuals who have previously agreed to judge the event to confirm if they are still interested in judging the current years F/M prior to nomination each year. The nomination ballot must

be emailed to the selected teller or postmarked by May 25 in order to be counted. In the event an individual participant does not have access to an email account the ballot will be mailed to them via USPS with the same closing date as the original nomination and final ballot.

3. On June 1 or as soon as the top three (3) nominees are confirmed by the teller, a final ballot shall be emailed by the Futurity/Maturity Secretary to all eligible participants listing those three (3) or in the case of a tie the top nominees who have agreed to judge the Futurity/Maturity stakes. The final ballot will include instructions to vote for one of the three (3) or more nominees, who to return the ballot to by email and the deadline for receipt of the ballot. The ballot must be emailed no later than June 25. The nominee receiving the most votes will be selected as the judge. The final nomination ballot may be extended further in case of a tie.
4. In the event that the elected Futurity Judge notifies the Futurity Secretary of their inability to be able to judge the event for the current year, the Futurity Chair shall notify the Futurity teller by process of elimination:
 - a. To contact the individuals from the final ballot in order of descending votes received to determine whether they will agree to judge the Futurity Stakes.
 - b. If all of those in (a) decline, to contact those individuals from participants original list of nominees starting with the highest numbers of votes received and the first nominee with the highest number of votes to agree to judge the futurity will be considered to be elected. In case of a ties those names will be placed on a ballot and emailed to the futurity participants for a vote.
 - c. If none of the individuals nominated by the Futurity/Maturity participant are willing to judge, because of time constraints, it will be up to the Futurity Committee to select the judge from the BHCA membership or someone else qualified to do so.

5. The selected judge's name will be listed in the Premium List and the Judging Schedule and a photo and biography will be in the catalog and on the Nationals website.

All acknowledgements and communications between the Futurity/Maturity Secretary will be done via email, except when an individual participant request otherwise.
