– COVID-19 Rules – PLEASE READ

At this point in time (Orange Alert – High Risk), we plan to hold our March 7, 2021 Combined TD/TDX tracking test. If the event must be canceled, TBHC will notify exhibitors and entry checks will be shredded.

If the event has not been officially cancelled, but an exhibitor or a member of their household has been diagnosed with COVID-19, we will, upon submission of a medical note, refund entry fees for that exhibitor.

Please understand that neither Timberline Basset Hound Club nor Chatfield State Park can completely guarantee your safety and good health. TBHC will work to adhere to all current Government and facility regulations regarding COVID. We are making lots of adjustments to try to make it as safe as possible, but it will be up to each exhibitor to decide if this trial is right for you, or if it would be better for you to pass. If you are unable to follow all procedures, we will ask you to leave and your entry fees will not be refunded. If you refuse to leave, we will have a Trial Committee meeting. We want everyone to be safe and we need your help and cooperation to make this as safe as possible for everyone. Everyone attending is required to sign the COVID waiver and abide by all trial rules.

Masks: The proper wearing of masks (securely covering nose and mouth) WILL be required at all times except when handling a dog on a track. Please bring your own mask.

Social Distancing: Please remember to adhere to 6 - foot social distancing at all times. This includes around the judges, tracklayers & workers.

Handwashing: The club will have hand sanitizer and disinfectant wipes. The club will provide disposable gloves for workers, if needed. We will periodically sanitize commonly touched areas, but please don't rely on this. Remember to WASH YOUR HANDS frequently.

At Headquarters – Chatfield Horse Corral

- We ask everyone to remain close to their vehicle until the briefing and draw. Avoid shaking hands or hugging.
- Avoid touching other dogs that are not your responsibility.
- Wear a mask and maintain social distancing at all times. (Masks are optional for exhibitors during the tracking.)

Drivers

- In order to limit the number of people in a closed vehicle and possible contamination of the interior vehicle space, exhibitors should provide their own driver to drop off at the start and pick up at the end of the track in the exhibitors' own vehicle. If no driver available, exhibitors should plan to walk back to the start of the track to get their vehicle. There will not be a spectator driver. Check with club for nearest parking lot and please bring cell phone for communications.

Per Parks Office, all placarded vehicles must follow these guidelines:

- No more than two vehicles may park in the same general location at any time. Roadside parking is not permitted within 100 yards of a designated parking area.
- Placard must be displayed in the driver's side vehicle windshield and visible for inspection.
- Absolutely no parking in "No Parking" zones.
- Roadside parking is only permitted on gravel or hard surfaces after rain or snow.
- Roadside parking must not impede normal traffic, restrict roadway visibility, or create a bottleneck.

Scent Articles

- While laying the track, the track layer will touch articles to leave a scent for the tracking dog. It is advised that the exhibitor wear gloves when taking the found articles from the dog. Make sure the found articles get acknowledged by the judges as the dog finds them. Exhibitor has the option to keep the articles or drop them on the track to reduce possible transmission of infection between track layer and exhibitor. Exhibitors are encouraged to wash their hands or use sanitizer as soon as possible.

Entourage

- Judges and volunteers will wear masks if closer than 6 feet while observing the dog and handler. Check for rules for spectators on the track.

Food & Water

- Consistent with these guidelines we cannot provide any snacks or potluck food service but bottled water will be available. Exhibitors may bring their own snacks or lunch.

If conditions change, there may be additional requirements that we have not yet considered, so please keep an eye on your email for any updates on safe practice procedures for this event.

ALL ATTENDEES MUST SIGN THE COVID WAIVER
