### Judging shall commence at 7:00 AM

In a BHCA sanctioned hunting performance test, a Hunting Hound (HH), Senior Hunting Hound (SHH), and Master Hunting Hound (MHH) or Master Hunting Hound Excellent (MHE) title may be earned. Each entry must specify "Q" or "NQ" indicating whether or not that hound is intended to qualify for a leg for a title. Only one "Q" entry may be submitted for each hound at a test. A hound qualifying three times in either solo, brace, or 2-couple pack can earn HH. Once having the HH, the hound must compete in one of the other remaining stakes and qualify three times for SHH, and then in the remaining stake qualifying three times to earn an MHH or MHE.

**Awards:** Ribbons with AKC logo will be awarded to all qualifying legs. When a title is earned, the registered owner(s) will receive a certificate from the BHCA with the hounds name, owner's name(s), title earned and date will be prepared and delivered to the owner. The owner can also apply to the AKC for title recognition. Details as to how to do this will be posted on the BHCA web site.

Hounds will be judged in the following categories of hunting ability on a scale of one to ten:

1. Ability to find game
2. Use of voice
3. Line ability
4. Adaptability
5. Determination

Gun shyness will be judged on a pass/fail basis. **A pass is a minimum of 5 in each category and an average of at least 6.**

A current copy of the rules can be found on the BHCA website and a summary is included in this Premium List.

Bitches in season shall not be eligible for any Hunting Test and shall not be allowed on the grounds. Entry fees paid for a bitch withdrawn because of this shall be refunded. Once the entry fee has been paid and the slot reserved, the handler may substitute hounds with the permission of the Test Chairman.

- No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the judges
- Hounds in the Gallery must be kept quiet when hounds are being judged.
- When hounds are cast, a handler may speak or whistle to his hound or work it any way he may deem proper,
- Hounds in a brace or two-coupled pack must be marked in a way the judges can easily identify each hound.
- Collar bells are permitted. Locator devices are allowed.
- Handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instructions from the Judges.
- In order to receive a "Qualifying Score", a hound must have an "Official Score" of 5 or above in each category. In addition, the average of all categories must be at least 6.
- The Control Sheet shall be available for public inspection.
- In evaluating a hound's hunting abilities in a Test, the Judge must assign a numerical score from 0 to 10 that reflects his estimation of each hunting ability.
- Decision not to award a Qualifying score must be the consensus of the judges.
- Time Requirements. Each entry will be allowed thirty minutes to produce game, if no game is produced the hounds shall be ordered up and the next stake put down. Hounds shall be cast to search for game. If a hound has not produced game in approximately 10 minutes, the handler may ask the judges for the assistance of the gallery in producing game.
- The handler may pick up the hounds before the 30 minutes time limit if he/she so desires.
- The judges of a stake must score the hound on the basis of the following categories of hunting ability: (1) Ability to Find. (2) Use of Voice. (3) Line Ability. (4) Adaptability. (5) Determination. (6) Gun Shyness.
- To qualify as a brace, both hounds must hark to the rabbit and pass the gun shyness test. To qualify as a pack, all hounds must hark to a rabbit and pass the gun shyness test. However each hound is scored independently.
