GUIDELINES OF ETHICAL CONDUCT

Each member of the Basset Hound Club of America will consider the welfare of the breed when engaging in any activities involving the breeding, selling or competition of Basset Hounds. BHCA members, both individuals and member clubs, are urged to comply with the following guidelines:

1. Members of the Basset Hound Club of America will abide by the constitution and by-laws of BHCA and of the American Kennel Club.
2. Members will ensure that all dogs in their care are provided adequate food, water and shelter, opportunity for exercises, veterinary care, and personal attention to monitor their needs.
3. Breeding will be directed toward producing Basset Hounds of exceptional quality in breed temperament, Basset Hound type and ability to hunt game. Only healthy and mature dogs and bitches free of congenital defects and of characteristic breed type, sound structure and temperament shall be bred.
4. Members should not undertake the breeding of a bitch unless they are prepared to act responsibly regarding the disposition of the resultant puppies. Members shall be discriminating in the placing of puppies and adult hounds, choosing environments in which the Basset Hound will receive suitable care and affection and will not be misused.
5. Basset Hounds offered for sale or males offered at stud must be presented honestly regarding their pedigrees, their potential as bred and their faults or the fault possibilities that may develop in maturity.
6. Members of the Basset Hound Club of America will follow good business practices and ethics in breeding and sales contracts and will honor all agreements. Written agreements in all dealings regarding Basset Hounds are strongly encouraged.
7. No member of this club shall engage in the wholesaling of litters or the selling of breeding stock to commercial sales operations ("puppy mills"). No member will offer or supply Basset Hounds for prizes, raffles or lotteries.
8. No member shall engage in false or misleading advertising or misrepresentation of his/her Basset Hounds or those of competitors.
9. Members will practice the principles of good sportsmanship, considering competition to be a challenge, not a threat.
10. All members of the Basset Hound Club of America shall conduct themselves in all aspects of the sport of dogs in a manner designed to reflect credit upon our breed and our club.

I (we) hereby make application for membership in The Basset Hound Club of America, Inc. (BHCA) according to Article II of BHCA's By-Laws, and I (we) agree to abide by the By-laws and Guidelines for Ethical Conduct of BHCA.
