AKC National Owner-Handled Series

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers*.

All dogs that are owner-handled and are not owned, co-owned or exhibited by professional handlers meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of the entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book & the catalog.

Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants to professional handlers may not exhibit the dog in this competition.**

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

☐ If the Best of Breed (BOB) winner is Owner-Handled competition eligible, it will automatically be Owner-Handled BOB.

☐ If the BOB winner is not eligible for Owner-Handled competition and the Best of Opposite Sex (BOS) to BOB is eligible, the BOS to BOB will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed.

☐ If neither BOB or BOS are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.

☐ If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.

☐ If BOB, BOS, Select Dog and Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring, including Winners Dog or Winners Bitch as Owner-Handled Best of Breed.

☐ If the Best of Winners is eligible, the other Winners are ineligible since they were defeated.

☐ No class dogs other than Winners Dog and Winners Bitch are eligible to return to the ring.

*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards or represented themselves as handling dogs for pay or received payment for handling a dog.

**a current assistant is defined as anyone employed by a professional handler on a full time basis, or, assisting a professional handler at the show or any show during the cluster/weekend.

The dog show rules are posted on the AKC Web site at <http://images.akc.org/pdf/rulebooks/RREGS3.pdf>.

Most important to note are the following:

1. Dogs must be individually registered with the American Kennel Club by the day of the event to be eligible for exhibit in the Bred by Exhibitor class.
2. Dogs are eligible to compete in AKC events using the foreign registration for a period of 30 days. That 30-day period begins with the date of first exhibit, regardless of whether the dog earned any points or awards. To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at <http://images.akc.org/pdf/extenap.pdf>.

If you have question or need assistance with registration or obtaining an extension, please contact the AKC Special Services Department at: awards@akc.org or (919) 233-9767 (followed by selecting option 4).

Health Testing as a Selective Breeding Tool to Improve Canine Health **• Focus on DNA Testing •**

2nd seminar
presented by:
Eddie Dziuk

Overview:

Ongoing research and scientific discoveries have made huge advances in the field of canine genetics over the last two decades. We have literally gone from test breedings to determine a dog's genotype, to the initial mapping of the canine genome, to an ever-growing list of commercially available canine DNA tests. Ongoing scientific discoveries, new technical platforms, increased efficiencies, and decreasing costs are bound to continue this ever-changing landscape. However, with all the advances, one recurring theme has become abundantly clear: stakeholder knowledge and understanding of DNA, its uses, and the interpretation and application of DNA based tools has not kept up with the science. This presentation seeks to introduce breeders to DNA testing, the types of tests, and some of the complexities involved in interpreting and utilizing these tests. It will also describe the CHIC canine health database and how/why to register your dog's test data with CHIC.

DNA Swab Clinic Dates, Times, and Tests to be determined.

Be ready to go into the ring on time

Ask if others are ready if you are first in line

Let the judge and others know if your bitch is in season

*Only feed your dog when the judge is past looking at the head
and bite*

Be sure the steward and judge can see your armband

Make sure your dog is quiet and contained at ringside

Be polite to other exhibitors, the judge and ring steward

Congratulate the winners

Additionally,

Talking to your dog in the ring is okay

Starting over is okay

Taking your time to present your dog well is okay

Asking for more space is okay

Making sure you aren't blocked by the ramp or poles is okay

Having fun is okay
