

## ORAL SWAB GENETIC TESTING AT THE 2022 NATIONALS

There will be four opportunities at the Nationals to get your dog tested:

- Fun Day, Saturday, October 1
- Field Trials, Saturday and Sunday, October 1-2
- After Dog Judging and the Health Committee presentation, Wednesday, October 5
- By appointment, in your room or RV (only for persons with 3 or more dogs). Call/text Rosemary at 206.687.0891.

### Tests being offered

Paw Print Genetics offers 5 oral swab tests for Basset Hounds - all from the same swab.

- Recommended by the BHCA Health Policy
  - ✓ Lafora
  - ✓ Thrombopathia
  - ✓ Primary Open-Angle Glaucoma
- Additional tests offered by Paw Print Genetics
  - ✓ Chondrodystrophy and Intravertebral Disk Disease Risk (CDDY-IVDD).
  - ✓ Severe Combined Immunodeficiency Disease, X-Linked (Not currently seen in Basset Hounds).

These tests are available ala carte - you pick only the ones you want. Individual results will be shared ONLY with the owner.

**Per dog testing:** 1 test \$40; 2 tests \$75; 3 Tests \$105; 4 tests \$130; all 5 tests \$137.50

Add \$6 for the test kit and thanks to BHCA Foundation funding, take \$20 off the total cost if one of the tests is Lafora.

## WON'T BE AT THE NATIONALS? – YOU CAN STILL GET THE DISCOUNTS

If dogs you want to test will not be at the 2022 Nationals, you can still get the discounts from October 1st through November 30<sup>th</sup>, 2022. Go to the Paw Print webpage - [www.pawprintgenetics.com](http://www.pawprintgenetics.com) and follow these steps:

- Click on “Find Tests” and select Basset Hound
- Select the tests you wish to run
- Create a profile for your dog if it is not already registered with Paw Print
- Create an account if you do not already have one
- At check-out, enter the discount code **BHCAHC22**

If you prefer to order the tests by phone, call 509-483-5950 Monday – Friday 8 am - 5 pm Pacific Time.

**Paw Print Genetics does not offer testing for Mucopolysaccharidosis 1 (MPS1).** That test is available only through the Orthopedic Foundation for Animals (OFA) and can be ordered at <https://ofa.org/mucopolysaccharidosis-i/>. The cost is \$65. It is also an oral swab test. **Use the discount code BHCAHC22 for a \$20 discount also funded by the BHCA Foundation.**
